ABOUT THE COLLEGE

LCB College was founded in 1971 as a night college by a group of teachers and operated from the premises of Maligaon Railway Higher Secondary School. At the initial stage, it catered mostly to undergraduate working men and women. It was at the initiative of the neighborhood community and the generous donation made by the family of Lalit Chandra Bharali that facilitated the purchase of its own land in 1972 and it was only from the next year that the college functioned for the first time from its own premises and since then it is the Governing Body that constitutes the primary management system of the college. The establishment of the college was driven by a holistic approach towards higher education to the marginal student community who could not access the central/city colleges for various reasons. It was also an educational outreach for students who lived beyond the city limits and the entire Northeast. However, since the last two decades, the college has notched up its credibility as it attracts some of the best students from the entire northeast region for its non-traditional subjects at the UG level. Another USP of the college is the natural ambience that prevails in the campus. It is nestled in the foothills of the beautiful Nilachal (abode of the Goddess Kamakhya) and Adinggiri Hills, providing an idyllic environment for teaching and learning.

Vision, Mission & Objective

VISION

- To translate into a centre of excellence by foregrounding knowledge as empowerment and an instrument for inculcating social responsibility.

MISSION

The Mission of the college is-

- To provide a centre of alternative career oriented courses in Science, Technology and Management.
- To make quality education accessible to all sections of society especially to students of the peripheral areas.
- To cultivate excellence by identifying and moulding some of the best minds.
- To Equip students with skills and life values to face the challenges of life and thereby to contribute towards nation-building.
- To install a sense of environmental responsibility among the learners.

OBJECTIVES

In order to materialize this mission, the objectives are-

- To provide the infrastructure to facilitate the faculty and students to appropriate the latest technology, tools and methods.
- To provide a liberal and free environment to translate the vision and the mission of the institute into a reality.
- To nurture critical and creative temperament.
- To sensitize and engage students on issues of gender equality, human rights and ecology in order to make them socially responsible citizens.

Principal's Message

Lalit Chandra Bharali College, Maligaon, Guwahati, a premier institution of Higher Education provides different career oriented courses. Our College (popularly known as LCB College) has a multidisciplinary nature of courses as well as multi dimensional activities including extra curricular activities. The uniqueness of the College is its programmes on non-traditional subjects like Computer Science and Electronics. Presently, our College runs two provincialised streams (Arts and Science) with fifteen departments. Apart from two provincialised streams, at present the College provides self sustaining courses such as BCA, B.Sc.(IT) and PGDCA. In both the streams, Honours course is offered in most of the departments. NCC and NSS wings of the College are very active wings through which the students of the College can give services to the greater society. There are eight Clubs in the College through which the students can develop their inner qualities.

Dr. Amarendra Kalita, MA, PhD
Principal, LCB College

In this highly competitive world, there will be no other options than to do hard work and go ahead with proper planning. The students of LCB College must concentrate in studies with the guidance of a team of dedicated faculty members who have been working since 1971 to bring the College to its present position. Since its inception, strong benchmarks have been laid in different activities in the College in terms of teaching, learning, research and other corporate activities. Presently, many new concepts have been developed in the campus for the betterment of the College in general and welfare of the students community in particular. The College now gives highest priority in strict discipline and regularity in academic activities.

In the new millennium, the scenario in higher education has undergone unprecedented changes. NEP 2020 is going to be implemented in our state also. LCB College is prepared for implementation of the same from this academic session.

I am pleased to share that recently, National Assessment and Accreditation Council (NAAC) has accredited this premiere College with B++ Grade. I do hope, LCB College, our Alma Mater, which has recently celebrated its Golden Jubilee will march ahead in the days to come bringing laurels. We must move with the pace of changing and challenging times. Of course, an educational institution should not be judged solely by its academic credentials but also by its various contribution and impact on the society at large. It is our great pride that LCB College is at par in academic excellence and intellectual pursuits not only in the state of Assam, but also in the entire North Eastern Region of India. I am sure, the flag of LCB College and its motto will certainly soar high in the days to come.

I offer hearty welcome to all who want to be member of LCB College family. At last, I wish all the stakeholders a bright and prosperous future.

Dr. Amarendra Kalita
Principal

Co-Curricular Activities & Extension Education Program

The College considers extension work as the third dimensions of instruction and regards it as important as the other two dimensions viz., teaching-learning and research. This is due to the consideration that extension activities are beneficial for inculcating a sense of dedication to social upliftment and accountability among students. The College initiates extension education with its own fund. These activities carried out through the Extension Education Cell and other cells.

Academic Extension Activities

The college organizes Departmental Lectures, Seminars, workshops, etc. with the involvement of existing teachers, librarian and invited experts, so that interdisciplinary knowledge can be transmitted among the teachers and the students.

Extension Through Awareness

The college organizes awareness programmes on different areas like primary health, drug abuse, AIDS, blood donation, etc. within and outside the College campus.

NSS(National Service Scheme)

The National Service Scheme (NSS) as the motto stands for “NOT ME BUT YOU” is a platform of all youth volunteers who opts to serve nation through NSS led community service with a responsibility to help the needy. It is a Central Sector Scheme of Government of India under the Ministry of Youth Affairs & Sports. The sole aim of the NSS is to provide hands on experience to young students in delivering community service. To motivate NSS Volunteers of LCB College for delivering their selfless service towards community work, various activities like cleanliness drive, tree plantation, different outreach programmes, observation of different days like International Yoga Day, Republic Day, Independence Day, etc. are observed with lot of zeal.

NCC(National Cadet Corps)

The National Cadet Corps is a voluntary organization comprising the Army, the Navy and the Air wing which is administered through the Ministry of Defence. The National Cadet Corps Unit of LCB College is known as A(2) Flt AIR Wing NCC under the 50 Assam Air SQN NCC, Gauhati University. Both boys and girls students can join in the Senior Division (SD) and Senior Wing (SW) NCC through the College Unit. The total enrollment strength that is the intake capacity of our unit is 100. It is a matter of pride for us that our 50 Assam Air SQN NCC was given an opportunity to fly the Virus SW80 aircraft as a part of NCC training. Flying Officer Pulak Mili, Assistant Professor from the Department of Economics is the Associate NCC Officer (ANO) of our college NCC Unit. During his training in the 47th SDPC, he was adjudged as second in order of merit at the Air Force Station Tambaram, Chennai which is also a matter of pride for our College and NCC Unit in specific.
