1. Introduction

The Coding Club of Lalit Chandra Bharali College functions as a platform to enhance programming skills, promote technical knowledge, and encourage collaborative learning among students of BCA, B.Sc-IT, and B.Sc Computer Science. This Annual Action Plan outlines the proposed activities for the academic session 2025-26, ensuring a structured approach towards student engagement and skill development.

2. Objectives

1. To provide structured training opportunities in programming and software development.
2. To create a peer-learning ecosystem where students share knowledge and experiences.
3. To prepare students for inter-college, state, and national-level competitions.
4. To encourage innovation through project development and research-oriented activities.

3. Action Plan

3.1 Workshops & Training Sessions

1. Organize beginner to advanced-level coding workshops (C, Python, Java).
2. Invite alumni and industry professionals for expert lectures.

3.2 Coding Challenges & Competitions

1. Monthly in-house coding challenges to build problem-solving skills.
2. Preparation for Hackathons, CodeChef/LeetCode contests, and other competitions.
3. Host an inter-college coding event in the later part of the session.

3.3 Projects & Peer Collaboration

1. Promote open-source contribution and code-sharing practices.
2. Encourage students to maintain GitHub repositories for project portfolios.

3.4 Knowledge Sharing & Community Building

1. Weekly knowledge-sharing sessions by club members.
2. Peer-mentorship opportunities for juniors under senior guidance.

4. Structure of the Club

Chairperson: Mrs. Rita Sinha

Working Chairperson: Mr. Masud Alam Rofi

Secretary: Hemen Lahkar (B.Sc. 3rd Sem)

Assistant Secretary: Archana Mahanta (BCA 3rd Sem)

Members: Kimi Das (B.Sc-IT 3rd Sem), Rinki Das (B.Sc 1st Sem), Hritik Medhi (B.Sc-IT 1st Sem)

5. Monitoring & Review

1. Collection of a self-appraisal report from office bearers after six months.
2. Periodic review meetings to assess progress and suggest improvements.
3. Feedback from students will be incorporated for continuous enhancement.

6. Conclusion

The Coding Club of Lalit Chandra Bharali College aims to operate as a productive and sustainable forum for academic enrichment, technical skill development, and collaborative engagement. Through the outlined plan, the club endeavors to ensure meaningful participation, measurable outcomes, and overall contribution to the academic environment of the institution.
