

INSTITUTIONAL DISTINCTIVENESS OF LCB COLLEGE

The performance of the college stands out for its distinctiveness in areas of the college having an active and vigorous female dominated workforce. This includes a women dominant faculty of 32 Regular Teachers . The Arts Stream comprises of 15 females and 7 males only whereas the Science stream comprises of 8 females and 2 males. Most of the departments and committees in the college are headed by female members. The IQAC coordinator is also the HOD of her department and also heads the Internal Quality and Accreditation Committee.

These women faculty members have successfully led and excelled in their respectively assigned duties and fields. They have successfully and smoothly adapted to changing curriculum requirements from paper centric book and lecture teaching to ICT tool based online system. They have readily accepted all challenges and have worked in tandem with the male faculty members and office staff. They have also acclimatised themselves to the changing digital world and have successfully and diligently worked for the welfare and benefit of the students.
