

Practice Session

Date: 30/10/2025

A practice session and meeting were held on October 30, 2025, in Lab 1. The session was attended by the chairperson, secretary, and 18 members.

The following key points and proposals were discussed:

(i) Members are welcome to use the lab for practice during all open lab hours.

(ii) Members are required to submit a weekly progress report for review. The member with the most outstanding progress each week will be recognized by having their name displayed outside the lab.

(iii) The idea of creating club badages for members was proposed and will be explored further.
