11. Overall comment (if any)

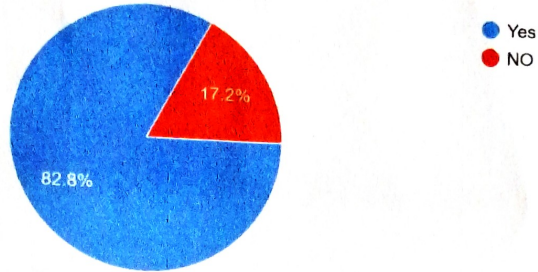

- Syllabus is given by GU that we follow and try our best to complete the course. Library should bring need based / reference books that we referred to fulfil the need of the students
- ok everything is not manageable . We are ready to accept work in all situations . Once in a day we cannot change anything. It needs more time. Hope it will be one day
- The toxicity in the academic and administrative environment should be mitigated to bring out the best from everyone.
- The laboratory infrastructure is not sufficient.
- Topics and themes of syllabus are not detailed. Liberty is a big concept. What exactly of liberty is needed? For BA core? Very vague syllabus.

- Need more cleanliness in the women's washroom
- I am very glad to study here. All teachers are always helpful to Nature in matters of studies.
- I am glad to study here. The teacher's way of teaching is very good.
- I really dont have much comment regarding the improvement and sustainability of the college but there are few things which i think everyone would have liked, for instance the college lacks a wide variety of subjects for different students but for this same number of Infrastructure is also needed moreover i would say the college does the job with the present condition. Another Problem for the Students who are financially weak or can't come up to the level of being able to overcome the situation is that one has to work hard in order to pay for the college admission fees which are hardly possible for a student belonging to EWS(Economically weaker sections). So my take on it is that although the college does need expenses to manifest the situation of an ideal student, consolation fees might be a better improvement.
- I think they need to work on girls toilet because there is no water...after uses the toilet there is nothing like water.....and also need to do something on food hygiene.....and lastly the drinking water it's really needed for students
- Taking a field trip, cleaning toilets , and providing drinking water.
- Toilet cleaner
