

Program Outcome (PO)

The Department of Education aims at building the career of students and prepare them for socially committed persons so that after attaining education they can contribute to the society.

Education program will create basic knowledge and training to pursue higher study in the field of Arts and provide students a dignified way of livelihood.

The students will interact effectively with faculty and management and effectively develop themselves in holistic cognizance of their surroundings and appreciate aesthetics in everyday life.

The students will be able to discern the moral conundrums that are present in everyday life and be able to identify the right path based on the value system inculcated in them by the institution.

The course will inspire students to constantly upgrade their knowledge and skills.
